

# Trails Less Traveled

**April 13, 2020:** During the Coronavirus (COVID-19) crisis, it is more important than ever to spend time outside! Red Rock Trail System offers a variety of trails across Jefferson County where you can exercise and stretch your legs. This is a short list of less-traveled trails we recommend. For each trail, we have provided *one* trailhead or parking address below, though some trails have *multiple* access points. For more information, visit: [freshwaterlandtrust.org/find-a-trail](https://freshwaterlandtrust.org/find-a-trail)

**We urge you to follow the latest health and safety directives from local, state, and federal agencies. Always practice social distancing. If a parking lot or trail seems busy, choose another location or come back at another time.**
